

Deemed Contract Rates

Where Crown Gas & Power remain the registered gas supplier for your premise and no formal contract exists between yourself and us, then we will charge you on a Deemed rate basis. Deemed rates will continue to be charged until a formal contract is agreed or until you switch to another supplier. Deemed rates are generally more expensive than contracted rates.

Our previous Deemed Contract rates were 35.9p/kWh. As of 1st November 2022, our Deemed Contract rates changed to the following. These rates exclude prevailing VAT and Climate Change Levies (CCL):

*In accordance with our Terms & Conditions, Crown Gas & Power reserve the right to review the Daily Standing Charge should there be an increase to our operating costs.
